Derek- after reviewing the 213RRs you sent, I need to confirm/clarify some information:
#5309 for Field Data Mgr (Weston)- Was this filled?
#-- Request for boats, ERRs personnel- Was this filled?
#-- Request for START contractor for Bravo Branch financial assistance- Was this filled?
#--- Request for safety footwear that was filled- How was this filled?
#-- Request for roll-off/ trash cans in place per Eric Paisley. Is there funding required for these trash cans?
#--- Request for USB printer and cartridges...is this cancelled?
